Another great meeting in October with excellent attendance. Thank you to all who attended, brought trains to sell, and money to purchase more trains.

As you can see, Charles is back from Europe and a bulletin has been created. Thank you, Charles.

The Dec. 15 bus trip tickets are selling well and the bus trip is on. We will leave Frank Schmidt's in Richmond at 6:00am and the Campbell River Store at 6:30am. If you are late and miss the bus, thank you in advance for your donation to the club of your ticket price [get the hint, do not be late]. Remember to bring your passport, money and want lists. You can arrange to park at the Campbell River Store by buying a ticket from them in advance. You can still buy tickets for the bus at the November meeting and on the bus, if there are seats.

In this bulletin you will see the names for the "Club with No Name" [see page 2]. Charles compiled the list of those names put forward, prior to Nov. 1st, and they all are printed in this bulletin. No member names are attached to the club names submitted. The Exec has shortened the list to 3 preferred names -- also listed in this bulletin. At the meeting I will explain why these names, and also take questions from the floor. We will then vote. You must attend to vote.

The BA Oil tank car is still selling well, if you have not bought or paid for them please do so at the meeting.

Do not forget that this is the Christmas door prize draw meeting -- if you get my drift. November is our last meeting until January 2013, so attend.

Do not forget the Nanaimo meeting Sunday Dec. 2. Check with Robin for details.

If you are thinking of going to York next Oct 2013, please let me know immediately. Currently I have 16 people going and all the hotel rooms are full. I will need to know if you wish to come so that more rooms can be arranged. I will try to get a group rate on airfare but must know numbers soon.

Bring your wallet to the Nov meeting to buy yourself a Christmas present. MARK

To our fellow British Columbia, Canada TCA members:

The Train Collectors Association, Pacific Northwest Division, has a vision which certainly includes members in British Columbia and Vancouver Island.

Our Division meets are offered to Division members, family and guests three times each year, and are designed to be 'community' friendly and fun for all who attend. Our Chapter meets are held on the 2nd Sunday of the month at the Seattle venue.

We held a very successful Seattle, WA Division meet this past July, and anticipate that others will follow.

You are certainly invited to all our division meets, and we encourage and welcome your attendance.

Also, please consider pooling your toy train enthusiasm and consider forming a Vancouver-area TCA Chapter, where you can meet frequently to exchange ideas, buy/sell trains, and above all enjoy the fellowship in this wonderful hobby.

Please e-mail or call me with your comments and suggestions about how the division can improve your participation in the organization. I look forward to hearing from you.

Thank you!

Best regards,

Rick Dunn
