President's Message

With the end of another year end for the Canadian Division looming I would like to wish everyone in the division a wonderful summer and hope that the deal of a lifetime presents itself in the next couple of months.

Garage sales can still yield surprises, last summer I bought an A/F Gilbert Silver Bullet set in the original box for a steal of a deal and right in my own neighbourhood too!

It promises to be a good summer for Gail and I. We will be heading down to Costa Mesa for the TTOS Convention.

I would encourage all of you if you haven't attended a TTOS Convention yet (the one we had here in Canada doesn't count). Go to the one in Costa Mesa. You and your partner would have a wonderful time in California, Disneyland is close at hand. I've been told that Disneyland is for adults.

I will be awarding the prize for the winner of the membership contests this next meet. It looks like I will have to make a draw for the winner. We have two members tied with three new members each. It should be interesting.

The Canadian Division is sold out of BC Rail Cabooses. If you bought one when we had them made, you now own a collectable. Only 500 BC Rail Cabooses were made for the Canadian Division.

Weather permitting we will be Bar-B-Qing hamburgers and hotdogs at the June meeting. We will be looking for volunteers, as Gail will not be at this meeting, which means I can't accidentally win one of the incentive draws on her tickets, because you have to be there to win!

The June meeting is our Incentive Draw meeting. Every member gets one ticket for every meeting he or she attended. Mark has advised me that he has acquired some super prizes for this occasion.

I hope to see as many members as possible at the June meeting.

Regards, David Cook, President
