

**Canadian National Railway Flat
White Pass & Yukon Railway Trailer**

April 7, 2015

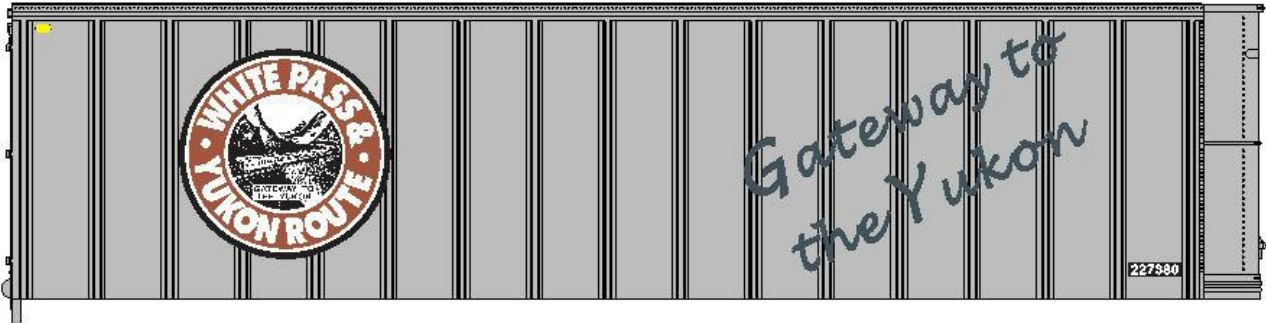

The Canadian Toy Train Association is pleased to announce that Weaver is manufacturing a scale White Pass & Yukon white coloured trailer on a brown Canadian National Railway flat car. This very limited production “O” gauge car comes in three road numbers in both 2 rail and 3 rail.

This is the fourth car in our Canadian series – our first three cars SOLD OUT.

Production is set for May / June 2015.

The Canadian Toy Train Association member cost is \$ 80.00 CDN per car including shipping within the lower mainland and Vancouver Island. This is the same price as last year’s car. With the drop in the Canadian dollar this is a real deal for our members.
