### PRESIDENT'S REPORT

Ladies and Gentlemen,

The May meeting had about 53 members in attendance and it was great to see Ken and Tom make the trip from Kamloops. Thank you for making the drive. The island guys were missed as they were attending and displaying at the Victoria Train Show.

The beautiful MTH British Columbia Electric 36' reefers should be arriving soon and most members should have them in June or early July. Both the MTH BCE reefers and the Atlas PGE hoppers are sold out! Thank you to all who supported these projects.

At the June meeting I will bring the rest of Gunther's train collection. I will be selling Gunther's collection this meeting and everything will be sold from the tables starting just after 10:30. Unsold items will then be placed in the auction. All funds will go to the CTTA treasury, as per Gunther's wishes.

Do not forget the June meeting has extra incentive prizes and a fabulous BBQ with strawberry shortcake..... be sure to attend.

As always thank you to all who provide the food and drinks at each and every meeting, time after time. Your efforts are really appreciated.

See you at the end of the month.

Mark
