Canadian Division of TTOS

"Welcome to the 2011 train year! I hope Santa gave you some new trains for Christmas.

Our November meeting was very well attended and everyone had a great time. There were lots of trains and winners of the annual Christmas raffle prizes. Thank you to all who purchased tickets; all the proceeds help the Canadian Division to function.

All the Bellingham Bay & British Columbia double sheath box cars were shipped in early December and judging by the calls I have been receiving it was a hit. A special thank you goes to all of our members who purchased this beautiful car.

If you have not purchased our Canadian Pacific 53' 6" express reefer yet, please do so now as we need your support and the car is almost sold out. We will be formally announcing our new Pacific Great Eastern single dome tank car and showing the artwork for this car. There will be a special incentive price for all those members who supported us and purchased the Canadian Pacific reefer car. Watch for all the details coming soon.

See you at the January meeting.

Mark
