Robin Dodson -- 250 758-8970

robin_dodson@shaw.ca

PAST PRESIDENT:

David Cook -- 604 970-5598

thetinman76@gmail.com

Gentlemen,

The meeting did not have as many trains this month but there sure were some great deals to be had. As the Canadian dollar is looking more like the Canadian peso, our meetings have more and more bargains present.

We are looking forward to the island guys returning soon; you are missed.

At the meeting we announced new CTTA shirts and jackets available to purchase. These all have the CTTA name to replace the older TTOS logoed shirts. Contact Dave Scott for details.

I have placed the orders for the Atlas BA Oil "Bow Tie" 8000 gallon tank car (212 of 224 cars already sold) and the MTH Esquimalt & Nanaimo 36' reefers (140 of the 144 cars are already sold). If you have not ordered and wish one of these cars please let me know.

The Monroe train show was fabulous. It appeared to have the largest attendance I have ever seen. Lots and lots of trains and people; many club members attended. Our layout was missed but will return next year.

I hope the Nanaimo Train Show went well, sorry I missed them.

As always thank you to all who provide the food and drinks at each and every meeting, time after time. Your efforts are really appreciated.

See you at the end of the month.

Mark

2016 CANADIAN CLUB MEETS

All meets at Charles Rummel Community Centre, 3630 Lozells Ave.
Burnaby B.C. [doors at 11am, meeting 12:30]

**The British American Oil Company
Atlas Single Dome Tank Car**

December 1, 2015

Atlas O is manufacturing a prototypical single dome 8000 gallon tank car in the British American Oil Company "bow tie logo" colors. This very limited production "O" gauge tank car comes in four numbers in both 2 and 3 rail.

This is the third car in our Canadian tank car series – our first two cars SOLD OUT.

If you are a member of the Canadian Toy Train Association - the cost is \$ 85.00 CDN if delivered in BC.

Questions: email or telephone 604-560-4028

If you wish to order please complete the following order form and mail your payment (payable to "Mark Horne") to:

Quesnel 0 Gauge Layout
[and some trains for sale]

New CTTA member Tom Mower of Quesnel writes that he's had a 35' x 25' 0 Gauge layout set up in a mall on the south side of town on highway 97 for the past 9 years. Running up to 5 trains on TMCC, including BCR, CN, CP, PGE and Burlington Northern.

{see Tom's layout video on CTTA's Facebook page.}

Tom adds that the Quesnel Model Railroad Club (at the mall) opens to the public 12-3:30 every Saturday, running 40 meters of double track HO main line.

Tom credits longtime club member and past president Larry Setterfield as his mentor, and a number of Larry's custom creations are in Tom's collection.

Tom has decided to sell off most of his CP roster, many with little running time. If interested in the CP trains, or in visiting the layouts, please contact:

Esquimalt & Nanaimo Railway MTH 36' Woodsided Reefer

The Canadian Toy Train Association is pleased to announce that MTH is manufacturing an Esquimalt & Nanaimo Railway 36' Woodsided reefer in their Premier line. The E&N, which operated on Vancouver Island off Canada's west coast, was later acquired by the Canadian Pacific Railway. This very limited production "O" gauge car comes in two road numbers in 3 rail. Delivery is expected in summer 2016.

This is the second MTH car in our Canadian series and has a limited run of 100 cars.

The cost is \$ 65.00 US plus \$ 12.00 US shipping per car.
