PRESIDENT'S REPORT

Gentlemen,

Another great train meeting with about 70 members and guests in attendance is over with lots of trains showing up. I would like to thank Katelon, Gary, Ed and the kitchen crew for a great lunch; your efforts are really appreciated by everyone.

The Chilliwack and Lynden train shows were outstanding; a special thank you to the Neil and Neil who go to every show to set-up and take-down the club layout. We really appreciate the members who assist during the set-up and stay/or come back to help take the layout down. Please be sure to plan ahead for the Monroe Show in late February as it is large and a lot of fun.

If you are thinking of going to York, PA next October 2016 please let Mark know now as the hotel rooms have now been booked.

Be sure to attend this coming train meeting at the end of November as it is our last one until the end of January; and we have the extra door prize drawing at this meeting. Also we will be auctioning off an estate of a non-member. Included are some nice post war trains included a pristine Lionel # 221, freight cars and accessories; nothing rare but in excellent condition.

I will be having an operating night / open house at 7:00 pm on Tuesday December 1st. If you wish to see my train layout, and show your significant other that you are not the craziest train collector in the club, come to the open house and bring the boss too! (16266 – 26th Ave, Surrey) 604-560-4028

See you at the end of the month.

Mark

2015 - 2016 CANADIAN CLUB MEETS

all meets at Charles Rummel Community Centre, 3630 Lozells Ave.
Burnaby B.C.[doors at 11am, meeting 12:30]

Pacific Great Eastern Railway MTH Steel Caboose

The Canadian Toy Train Association is pleased to announce that MTH is manufacturing a steel Pacific Great Eastern Railway caboose. This very limited production "O" gauge car comes in two road numbers in 3 rail. Delivery is expected this fall.

The Canadian Toy Train Association member cost is \$ 70.00 CDN per car including shipping within the lower mainland and Vancouver Island. With the drop in the Canadian dollar this is a real deal for our members. Questions: email or telephone 604-560-4028

showing off.

REPORT FROM THE EAST *by David Cook*

November 1 is the day Gail and I got married way back in 1980. We have often found ourselves spending our anniversary at train shows, and this year it was in Kitchener, Ontario. We were set up by 9:30, all 4 tables, so many trains to sell. Made my first deal before the doors opened; another dealer had a 464 Marx Canadian Pacific wind up set, complete in the box. Made around 1936. When it runs, it shoots sparks out of the smoke stack. A lovely set to add to my collection.

Attendance started slow due to an accident on the 401, but eventually people got there and spent freely. I sold a lot of my rare cars, and all my wind up sets. I have started to make my own reproduction boxes, it makes everything look neat and clean and the sets sell better. Earlier in the year I picked up a Hafner CP coach for a song; sold it for a symphony.

Its getting harder to buy trains out of the USA with shipping costs getting ridiculous. So I will be going to as many train shows as I can here in Canada to buy trains. Next show on November 15 is only 12km from our home. Train season is up around here; hope its good on both sides of the country. I continue to encourage people to get back into the toy train hobby. If you are ever here in the east, feel free to call us and have a visit.
