## PRESIDENT'S REPORT

Gentlemen,

The June meeting was awesome with our largest meeting ever, outstanding hot weather, excellent BBQ and lots of trains for sale on the tables and at the auction. The BBQ was great as always – thank you to the Gary and Gary. A special thank you goes to Peter and the ladies who do a wonderful job each and every meeting, thank you so much. Thanks also to Ed for the drinks, shortcake and whipped cream! I think the members only attend for the BBQ and strawberry shortcake! Do not forget we also have the BBQ at the September meeting so be sure to attend.

We had members who travelled a great distance to attend the June meeting: Gary and Bruce from the Seattle area; “Bargain Bob” and Ken from Kamloops; “The Wise Man from the East” – Dick from upstate New York; and “The Not So Wise Man” who left beautiful Hawaii to attend – Stu. Thank you all for attending.

Our June meeting was excellent and all the members, especially the winners of our June attendance incentive draw, had a great time.

The MTH E&N cars were delivered and it was announced the Atlas BA Oil tank car is sold out. I will have the beautiful prototype BA Oil tank car at the September meeting. Thank you for supporting your club projects, you really help the bottom line of your club.

Our next project is an Atlas Pacific Great Eastern die cast hopper, in two road numbers, coming in summer 2017. I will be asking for interest at the meeting but no money required as yet, just numbers so I can figure out order quantities.

The coming train season has much to offer everyone ... besides the train meetings each month we have the CN Show, COOTS meetings in Nanaimo, Lynden Show, *The Great Train Show* in Puyallup in November and the *World's Greatest Hobby Train Show* in Puyallup in January.

See you all at the meeting.

Mark
