PRESIDENT'S REPORT

Ladies and Gentlemen,

Welcome to another great train year!

SPECIAL NOTE: Meeting date is one week earlier this month -- SEPT 22nd

PGE dump car should have landed in the Maryland and be on its way to Washington State and BC Market reefer should be on the water now. Thank you to all who supported these projects.

If you wish to have me take some pictures of your layout for our web sites, please let me know.

Our three weekend stint in August at the Burnaby Central Railway was a huge success. Thanks to Kyle for organizing it and thanks to all the members who helped out.

September is our elections — we are seeking a volunteer for Treasurer; all other board members have volunteered to stand again.

The coming train season has much to offer everyone ... besides the train meetings each month we have the COOTS meetings in Nanaimo, the Lynden Show, the PNE Train Show, and *The Great Train Show* in Puyallup in January (with the bus trip).

Also, please buy tickets for the Christmas draw as we have great prizes and it supports your club.

As always thank you to all who provide the food and drinks at each and every meeting, time after time. Your efforts are really appreciated.

See you in September at the BBQ.

Mark
