NEWSLETTER OF THE CANADIAN TOY TRAIN ASSOCIATION

## PRESIDENT'S

Gentlemen, welcome to the new **Canadian Toy Train Association**. Thank you to all the members who participated in the "name the club" process. The Executive has commenced the Society's Act requirements to officially change our name and update our bylaws, and our new name has been approved by the Society Registry. Keep in touch as more information will be coming regarding updating our bylaws. Work has begun on modifying the 2001 convention logo, the Royal Hudson on the bridge, as it was clearly the most popular logo.

We had an excellent November meeting that was well attended. Thank you to all those who purchased tickets and congratulations to the winners whose pictures are in this issue.

The December operating night was a huge success, even if I say so myself. About 30 people attended and seemed to enjoy themselves.

The bus trip was very well attended and everyone had a great time. The Puyallup Train Show was smaller than usual with less sellers and layouts but everyone seemed to enjoy it none the less and most people bought something. Next we visited an amazing "O" layout. It is not finished yet but the owner has hired a crew of experts to build the layout for him; after he had the house raised and a basement dug out. To date 50,000 man hours has been spent on the layout; the main person having worked full time for over 6 years on its design and construction. Wow! Plus they had trains for sale and again most people purchased something.

The next stop was Eastside and more buying of trains. After finishing at Eastside we had a great dinner at the casino and headed home. No one sent in at the border... a great trip and thanks to James, Martin and John for arranging it. See you in January!

MARK

### IN MEMORIUM

Long time Canadian Division member and ex-BCER motorman **Frank Horne** passed away in mid-December. In recent years, Frank's pet project has been the restoration of BCER interurban trolleys, and eventually trolley service, through the Fraser Valley Heritage Railway Society.

### IN MEMORIUM

Long time member **Marius Vos** of Duncan passed away on December 9th after a short illness, at the age of 82.

A portion of Marius' Triang and Hornby trains will be auctioned at the January meeting.

### NOTICE OF MOTION

has been mailed to all members (other than the Exec) on the 6th of January.

The motion to be voted on at the Jan 27 meeting is a Resolution to change the name of the club (the Society), and amend the bylaws to reflect our unaffiliated status. Please review the Resolution wording and bring any questions to the meeting.
