## CANADIAN TOY TRAIN ASSOCIATION

## PRESIDENT'S

February was a great meeting with 80 members and guests in attendance.

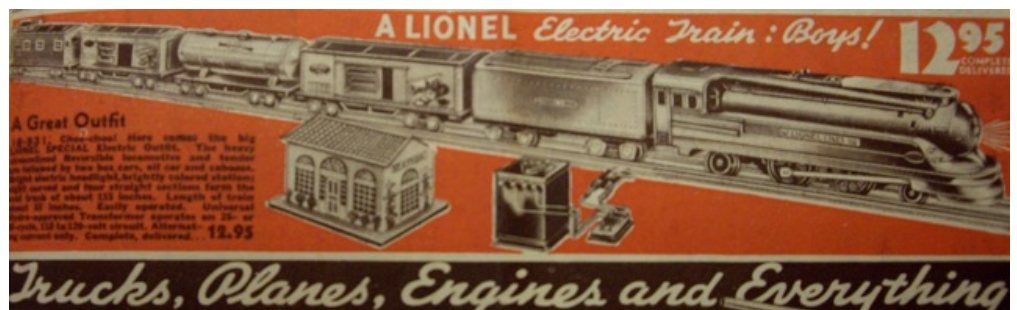

I will be away during the March show so we will not have any of Marius's estate trains for sale... this makes Gary very happy! Part 3, about 15 more apple boxes of trains, will be offered at our meeting in April. Be sure to attend and not miss these great trains.

Robin reports the Nanaimo train show in early March was well attended with around 30 members attending. Lots of trains and Vies as auctioneer. Sorry I missed it.

David B and I went to the train show in Denver on the March 2-3 weekend. Over 500 tables of trains and no snow... a great time was had and trains were purchased.

See you in April.

Mark

## 2013 CANADIAN CLUB MEETS

all meets at Charles Rummel Community Centre, 3630 Lozells Ave.  
Burnaby B.C. [doors at 11am, meeting 12:30]

UPCOMING MEET DATES:

**MAR 31, 2013**

**APR 28, 2013**

**MAY 26, 2013**

February Door Prize Winners: Chuck, Eli Bryan, and Bruce [a good way to start the meeting]

### NEW LOGO IN THE WORKS FOR CTTA

At the February meeting, ace designer David Scott revealed potential logo designs, based on member's voted preferences:

A) based on the 2001 Convention Banner:  
 --agreed the train image cannot be made large enough for embroidery or clarity at badge size.  
 --could work for new layout banner.

B) based on our previous Logo:  
 --agreed larger image good, but would prefer reversing the train image to run from left towards right.

It was agreed that the Executive would review with David and make a final recommendation to the membership shortly.

## LAYOUT CORNER

Congratulations to Eli Bryan Nelson and family for this great addition to our west coast toy train layout collection.

So send me pictures of your layout, or a corner of your layout, or your Christmas layout from 1965!

Just do it!

Old friends and New: our January and February meets have featured guests interested in the wee trains. Welcome!!!

Guests are our main source of new members, so today's guest may be tomorrow's president (well maybe not tomorrow's).

It's been suggested that guests wear badges with name and collecting interest. How about a survey of our members' interests -- trains and otherwise?
