TOY TRAIN ASSOCIATION

PRESIDENT'S REPORT

Gentlemen,

The June meeting was awesome with over 80 members in attendance, great weather, excellent BBQ and lots of trains for sale on the tables and at the auction. The BBQ was outstanding as always and Peter and the ladies did a wonderful job, thank you so much. I would also like to thank the Gary's for cooking the burgers etc. on our new BBQ; again well done. Well done.

Our June meeting was excellent and all the members, especially the winners of our June attendance incentive draw, had a great time.

I displayed the Atlas BA tank car prototype and the Weaver PGE flat with BA Oil trailer prototype at the meeting and everyone was very impressed. If all goes as planned these cars should all have been delivered by now.

As mentioned previously, the Atlas BA Oil tank car is sold out; as is the Weaver PGE flat with BA Oil trailer.

The joint project with Public Delivery, an Atlas Trainman British Columbia Railway bulkhead flat car project, sold out in ten days. Thank you for supporting your club projects, they really help the bottom line of your club.

The coming train season has much to offer everyone...besides the train meetings each month we have the CN Show, Lynden Show, November Puyallup bus trip and much more.

See you all at the meeting.

Mark
