CANADIAN TOY TRAIN ASSOCIATION

PRESIDENT'S

I hear March was a great meeting with good attendance. A special thank you to Gary and all who stepped up and took over; well done!

Part three of Marius's train collection, about 15 more apple boxes of trains, will be offered at our next meeting in April. Be sure to attend and not miss these great items -- not sure but think more Hornby, Triang and American Flyer trains.

In this bulletin you will also notice that I am now selling the club's next car, a Weaver BA Oil product trailer on flat car (TOFC). Last time Weaver had the car in our hands in about 8 weeks... commit and buy early. This is the last custom trailer by Weaver for the foreseeable future as they have run out of trailers and we got the last ones they had. This car, like the BCRail TOFC, will sell out for sure, and is a great companion to the Atlas BA Oil tank car due this summer. Our BA Oil tanker is now sold out!

Thank you for supporting your club projects, they really help the bottom line of your club.

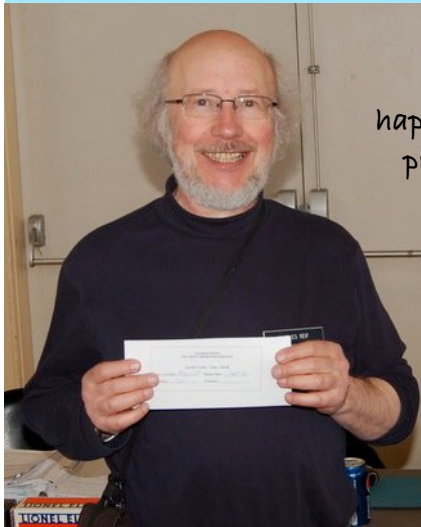

See you all at the meeting. Mark
