CANADIAN

TOY TRAIN ASSOCIATION

PRESIDENT'S

Gentlemen,

The May meeting was great with lots of trains for sale on the tables and at the auction. The refreshments were outstanding as always and it was announced that Olivia is "retiring" from KP duty and Peter is stepping up as of the September meeting. Thank you Olivia for all your work and the outstanding food for the past 4-5 years. Well done.

The next meeting is our summer BBQ and incentive draw spectacular. The BBQ should be great with Gary T and Gary Z at the helm. We import Gary T from a far distant land, so he must be great! We spare no expense in bringing him in; to translate, we do not pay him a CDN penny for showing up! Be sure to bring lots of trains to the June meeting since this is our last meeting until September, and everyone will want to get their train fix for the summer.

As mentioned previously, the Atlas BA Oil tank car is sold out. The prototype, which is gorgeous, will be on display at the June meeting. It is probable that by the time you are reading this bulletin, our Weaver BA Oil product trailer on a PGE flat car will have been shipped to you. Thank you for supporting your club projects, they really help the bottom line of your club.

See you all at the meeting.

Mark

Nanaimo (COOTS) June 2 Meeting

Robin reports attendance of 27, with 8 door prizes and 3 raffle prizes (amazing odds).

An original owner 2055 set with original boxes was a highlight of the meet. Mark brought for show the preproduction models of the BA tank car and piggyback trailer car.

Future meets planned for September and December.
