PRESIDENT'S MESSAGE

It is my pleasure to serve
as president of the
Canadian Division.

We have a wonderful group of
people who share a common
disease - "*Trainitis*".

Our goal is really simple, to
have fun collecting and
playing with our trains.

My goal as president is to
make our club the best it can
be so that the members have
the most fun possible. All of
our meetings, bus trips,
layout displays etc must be
enjoyable and open to all.

Under David, and the
previous Board's leader-
ship, our club is growing and
everyone is having a great
time.

My job is to not mess it up.
Thank you to David for his
hard work and leadership.
Thank you to all the board
members for giving up their
time and efforts to support

TTOS Canadian Division Board of Directors 2010/2011
Back L-R: Peter Tofield, Director; Neil MacKenzie, Treas-
urer; Gary Zabenskie, Vice-President; Mark Horne, Presi-
dent: Front L-R: Charles Reif, Secretary; Tom Modica,
Director; David Cook, Past- President

the club.

As members I ask that you do
two things to help the club:

- 1 if you have any concerns,
comments or suggestions
please let a member of the
executive know.
- 2 Please support the bus trips,
our Atlas car program and

the operating layout.
Without your help these
things will not be successful.
The Atlas car program funds
many of these activities so
please purchase a Canadian
Pacific express reefer.

Thank you and see you at the
meeting.

Mark Horne. President

AT SEPTEMBERS MEET

David Cook presented Tom Modica with the President's Award which he has given out several times in the 8 years he served as President of the TTOS Canadian Division. The award is presented annually to the person in the club who has shown outstanding service to the club throughout the year.

Fabulous auction items and table sales like the items being checked out here by David Scott were to be found, as usual, at the September meeting.
